    - Pepper Pics from Digital Media (One Drive)
    - Pics on the Photo Wall (One Drive)
    - Pics from the Reflection / Shadow / Silhouette shoot (One Drive)

Picture of Me: TBD

Text:

About Me:

Hi, I'm Chloe! I am a senior at Marlboro High School and a Level 3 Advisory Board Member for the Web Design Program. I

joined the Web Design Pathway Program because I was interested in Computer Science and wanted to learn new languages and how to problem solve. Safe to say that I am leaving with a lot more than just that.

(AKA "Parallax Queen")

Project Descriptions:

- Use the NJIT descriptions given
    - [Movie Site](#)
    - [Evan Slideshow](#)
    - [Schedule Website](#)
- Crochet Crew:
    - Collab with President of Crochet Crew
    - As a resource and form of contact for the club
    - [Crochet Crew](#)

Interests:

Descriptions are going to be longer

- Cardistry / Magic
    - Cool to look at, so I wanted to learn
- Photography
    - Capturing precious moments
- Cooking
    - Trying new things
- Traveling
    - Exploring new places
- Marvel Cinematic Universe
    - First movie was the first Avengers movie

- Building Puzzles
    - Rekindled during the Pandemic

Fun Facts:
- Favorite color: Red
- Favorite Superhero: Deadpool
- Favorite Disney Movie: Big Hero 6
- Favorite Game to Play Right Now: Rocket League

College and Major: TBD
